DATE OF INFO.	[Redacted]	REQUIREMENT NO.	[Redacted]	25X1
PLACE ACQUIRED	[Redacted]	REFERENCES		

[Redacted]

- 25X1
1. By the end of August 1953 all work on the Danube-Black Sea Canal had stopped and excavators at Cernavoda were in the process of being dismantled and shipped back to the Soviet Union.
 2. One possible cause for the cessation of this work is the fact that there had been a considerable seepage of water from the eastern section of the canal which threatened to flood all the low-lying ground in this area.
